

## **Welcome to Mix&Match - More City for All!**

A project of the association n'importe quoi production

Mix&Match brings a playful mood to Wollishofen/Leimbach

Do you like to play?

Do you like meeting new people?

Would you like to discover new games?

Do you have a favourite game that you would like to share with others?

Do you wonder who else lives and plays in your neighbourhood?

Then register now!

Send us an email to **mail@mixundmatchzueri.ch** with the following information about yourself:

- Name
- Neighbourhood (Wollishofen or Leimbach)
- Your age
- Languages spoken
- Your favourite games
- Your preferred place to play (outside, at home or online)

This information will be kept strictly confidential and will only be passed on to your play partner.

As soon as enough people from Leimbach and Wollishofen have registered, you will be invited to a game meeting by someone from the neighbourhood.

Then it's your turn to be invited. This is how a network is formed across the Entlisberg.

Look forward to a new challenge!
